

## *The Paris Conference And IPCC Report 1.5*

### **OBJECTIVES**

1. Discuss what happened at the Paris Conference the agreement that was made.
2. Discuss how much progress countries have made with regards to climate action.
3. Identify the benefits of this agreement.
4. Discuss why this agreement is so important for our planet.
5. Identify what each person can do to help their country each their goals

### **DISCUSSION QUESTIONS**

1. Have the countries done everything they can do?
2. Why haven't countries met their goals?
3. What did countries that met their goals do differently than countries that didn't meet their goals?
4. What can you do to help your country meet their goals?

### **ACTIVITIES**

Activity 1: Watch this video, and discuss the ways in which we've made the climate situation worse:  
<https://youtu.be/S7yMemx5zjY>

Activity 3: Choose a country, learn about their progress, and what their goals are. Then get together for a mock conference and present your findings.

Activity 4: Thinking about your chosen country, are the goals reachable, what would you do to reach them, what would you change? Share them with the rest of the mock conference.
