

Progressive Leaders

OBJECTIVES

1. Discuss examples of progressive leaders who have worked to combat nuclear weapons and climate change
2. Discuss examples of effective leadership by these individuals
3. Recognize the importance of voting for and supporting progressive individuals with clear positive agendas and real solutions

DISCUSSION QUESTIONS

1. How have progressive leaders helped combat climate change and nuclear weapons?
2. Are there other progressive leaders you know of that have inspired you? Who are they and why?
3. How can individuals support progressive leaders?

ACTIVITIES

1. Browse resources to learn more about progressive leaders all over the world.
2. Consider and discuss what progressive policy positions you would like to see your elected officials take.
3. Facilitate conversations with your friends and family on the importance of progressive leaders
